

PaRama BodyTalk™ Consent Form

I(full names) understand that the PaRama BodyTalk session provided by Angie Tourani is intended to enhance relaxation, increase communication within areas of the body, and to educate me to possible energetic or emotional blocks that may create pain and disease.

I acknowledge that BodyTalk is non-invasive, safe and objective. It utilizes the body's own innate intelligence to re-establish communication within itself.

I understand that the BodyTalk System is not a substitute for medical treatment or medication.

I am aware that the BodyTalk practitioner does not diagnose illnesses or diseases nor does the practitioner prescribe medication.

I understand that all information shared during the session is educational in nature and is intended to help me become more familiar and conscious of my own health status and is to be used at my own discretion. It is confidential and is treated as such.

By providing this consent, I am assuming full responsibility for my BodyTalk sessions and hold harmless both the practitioner and the facility / location where the session is provided.

I understand that I may experience so-called "detoxification symptoms" or releases during the next 24-72 hours following a session and that these may be somewhat uncomfortable, particularly if I have been experiencing chronic or heightened levels of stress.

NB: Since time has been especially reserved for me, I understand that a 24 hour cancellation notice is expected and missed appointments will be charged for. I further understand that arriving late / too early for any appointments is inappropriate.

I hereby authorize Angie Tourani to provide me with BodyTalk Session(s) and will promptly address any question/s or queries that I may have with her before or after any session.
