

Where Intuition Meets Insight

Awaken the Genius Within You

Angie Tourani

Adv.CBP, Certified BodyTalk & MindScape Instructor

Unlock the power of your subconscious mind and step into the most expansive version of yourself. MindScape is a dynamic, transformational workshop that trains you to access altered brainwave states to boost creativity, sharpen intuition, rewire limiting beliefs, & accelerate breakthroughs in every area of life.

In just one weekend, you'll build your own mental "workshop" – a structured space that bridges your conscious & subconscious mind. From this deep state of clarity & connection, you'll gain access to tools that enhance decision-making, emotional healing, goal manifestation, & insight.

Why MindScape?

Most people only access a small percentage of their brain's true power. **MindScape reactivates your intuitive intelligence** – training you to use your mind like the supercomputer it is.

Whether you're looking to boost creativity, improve relationships, overcome stress, or step into higher performance, this training will shift your inner world so your outer results change.

- Create your own inner mental space for healing and inspiration
- Improve focus, memory, clarity, & decision-making
- Tap into self-healing abilities
- Strengthen your intuition & inner guidance
- Manifest with greater ease and clarity

Who Is It For?

MindScape is taught around the world to:

- Entrepreneurs, CEOs, wellness professionals
- Therapists, coaches, athletes, and educators
- Students, creatives, and parents seeking clarity and growth

What You Can Expect

- A calmer, clearer mind
- Creative breakthroughs
- Tools to shift stress into insight
- A lasting sense of inner connection and alignment

Join us for a weekend that will rewire the way you think, feel, and create.

MindScape is more than a course – it's a portal to the highest version of you.
